## Step-IV: Open the email and click the web-link to open the LMS.

The screenshot shows an Outlook email client interface. The email is titled "NUST - LMS Portal: Password reset request" and is from the "LMS Team (via NUST - LMS) <noreply@seecs.edu.pk>". The email content includes a greeting "Hi Kashif," followed by a message: "A password reset was requested for your account 'khan.pnec' at NUST - LMS Portal." It then asks the user to confirm the request and set a new password by clicking a provided link: [https://lms.nust.edu.pk/portal/login/forgot\\_password.php?token=zxXczOwTh4vXMAH6eNY4ZGydHESg6ecl](https://lms.nust.edu.pk/portal/login/forgot_password.php?token=zxXczOwTh4vXMAH6eNY4ZGydHESg6ecl). A note states: "(This link is valid for 30 minutes from the time this reset was first requested)". The email concludes with: "If this password reset was not requested by you, no action is needed." and "If you need help, please contact the site administrator," signed by "LMS Team".

## Step-V: You will be redirected by the email link to LMS portal and will be asked to set new password.

The screenshot shows the LMS portal's password reset page. The browser address bar displays "lms.nust.edu.pk/portal/login/forgot\_password.php". The page header includes the "LMS Learning Management System" logo and the date "October 26, 2021 10:43:45". The main heading is "NUST - LMS Portal" with navigation links for "Home", "Log in", and "Forgotten password". The page instructs the user: "Please enter your new password below, then save changes." The "Set password" form includes a "Username" field with the value "khan.pnec" and a password strength note: "The password must have at least 8 characters, at least 1 digit(s), at least 1 lower case letter(s), at least 1 upper case letter(s), at least 1 non-alphanumeric character(s) such as !, -, or #". There are two "New password" input fields, one for the initial password and one for confirmation. At the bottom of the form are "Save changes" and "Cancel" buttons. A note at the very bottom states: "There are required fields in this form marked ⓘ."

Step-VI: On the successful completion of new password you will be logged in LMS account.

The screenshot shows the LMS user dashboard for Kashif Khan. The browser address bar displays `lms.nust.edu.pk/portal/my/`. The page header includes the LMS logo, the user's name "Kashif Khan" with a "Message" link, and the date "October 26, 2021 10:44:31". A notification banner states "Your password has been set." Below this, the "Recently accessed courses" section lists "Semester VI MIS (S'21)" and "CS-341 Web Technologies (2K21 MIS S-VI) S'21". The right sidebar contains sections for "Private files" (no files available), "Latest badges" (disabled), "Calendar" (October 2021), and "Upcoming events" (none).
